

ARNICA MONTANA

# *100% NATURAL Homeopathic Products*

Made in Australia from Arnica, Sage and Calendula, these products not only look, feel and smell gorgeous, they also provide soothing relief for minor aches and pains.

They are perfect for use by the whole family and are even suitable for use on pets and livestock.

**Used and recommended by professional athletes**

such as Sonja Johnson, a member of the Australian Olympic Horse Eventing Team which won the Silver Medal at the Beijing Olympics.
