

# INTERNATIONAL ACADEMY OF CLASSICAL HOMEOPATHY

Dear Homeopath,

As you already know, George Vithoukas together with the teachers of the International Academy of Classical Homeopathy have been trying to spread "Classical Hahnemannian Homeopathy" all over the world. We believe that the best solution for the spreading of homeopathy is: **Correct, Complete and Coherent Academic Education.**

If you want to see the activities and the quality of teaching of the International Academy of Classical Homeopathy you may have a good idea by clicking here: <http://www.vithoukas.com>

If you want to have a taste of the teaching of George Vithoukas, you can see his **Video Lectures** and listen to his **Audio Lectures**. Also, you can read all the **Articles** of George Vithoukas.

We have provided an exciting search engine, for the scholars and scientists who want to have an easy access to whatever idea, phrase or word they are searching in his writings, [www.vithoukasbooks.gr](http://www.vithoukasbooks.gr), that can be used for citations or information about homeopathy.

If you are interested in the teaching courses in the IACH you can be informed here: **Homeopathy Courses**

The latest efforts of the International Academy of Classical Homeopathy for spreading Classical Homeopathy is the creation of the E-Learning Program which is already online and you can start anytime you want:

<http://www.vithoukas.edu.gr>

This E-Learning Program is constructed with the idea to offer to the students the complete knowledge and experience of Prof. George Vithoukas which he gathered all these 50 years he is practicing and teaching Classical Homeopathy.
