MELBOURNE
Sunday 2nd May

Dr Dein Vindigni

Chiropractor, researcher and founder of HOHA

Dr Vindigni completed a PhD in 2005 on the pain and disability of Indigenous Australians, leading to a community-based model for training health workers in other communities.

Prof Marc Cohen

Complementary medicine research

Prof Cohen is currently Foundation Professor of Complementary Medicine at RMIT University while being a Senior Research Fellow at Monash University. His expertise lies in Integrative Medicine and has written extensively on complementary medicine research.

Mark Wells

Naturopath/ Homeopath, Iridologist, lecturer and author

Mark has been an expert in flower essences for over twenty-five years, sharing his knowledge with a generation of natural therapists around Australia. His books are known for their user-friendly approach and humorous anecdotal experience.

Dr Sandra Palmer

Integrative General Medicine Practitioner

Dr Palmer's special interests include Nutritional, Environmental and Functional Medicine, IV Vitamin C, Chelation and other IV/IM Therapies, bioidentical hormones and Anti-Ageing Medicine.

Dr Isaac Golden

Homeopath, author, lecturer and director of Aust. College of Hahnemannian Homoeopathy

Isaac is a world authority on homeoprophylaxis - the use of homeopathic medicines for specific infectious disease prevention.

Dr Zhen Zheng

TCM practitioner, Acupuncture coordinator and Chinese Medicine lecturer at RMIT

Dr Zheng's special interests lie in evidence-based Chinese Medicine and chronic pain management. She is also a key HOH practitioner and supporter.

BRISBANE
Saturday 8th May

Berris Burgoyne

Naturopath/ Herbalist

Berris is an established clinician, author, lecturer/practitioner advisor and respected speaker for seminars in Australia, New Zealand, South Africa and the United Kingdom. She has a specific interest in herbal safety, particularly herb-drug interactions.

Stephen Eddy

Naturopath, lecturer

Stephen lectures on various topics such as hormonal conditions, heart disease, obesity, neurobiochemistry and cancer. He is the principal of Health Schools Australia.

Henry Oseiki

Nutritionist and Biochemist

Henry has continued to combine cutting edge nutritional research and therapeutic products for his company Bioconcepts. He is the author of several important texts on nutrition and his research continues to be at the forefront of nutritional therapy.

Jost Sauer

Acupuncturist, author and seminar leader

Jost specializes in applying Traditional Chinese Medicine to 21st century issues such as addiction. He offers alternative models for treating addiction and contemporary ways to live in accord with the 24 hour chi cycle.

Rachel Arthur

Naturopath, lecturer, researcher and writer

Rachel is most known for her interpretation of complex nutritional science. She uses easily accessible concepts using colourful analogies, case studies and tangible clinical illustrations.

Toni Miller

Iridologist, author

Toni has developed her 'integrated Iridology' philosophy which is an amalgamation of ideas from many masters. She is the founder of the College of I.R.I.S.

SYDNEY
Saturday 15th May

Francesca Naish

Naturopath, herbalist, author, lecturer

Francesca has pioneered specialised methods of Natural Fertility Management, preconception/pregnancy healthcare and breast-feeding for over thirty years. She also appears frequently on radio, TV and print media and has trained hundreds of health practitioners nationally and internationally.

Greg Taylor

Chiropractor

Greg is currently President of HOHA and is completing a Masters in Chiropractic Paediatrics. He works as a HOHA volunteer chiropractor in three of Sydney's four HOHA clinics and has also worked as a HOHA volunteer in various Aboriginal communities in NSW.

David Lomman

Naturopath, Hypnotherapist

David uses urine and saliva analysis to understand body biochemistry together with Nutritional Therapy, Interactive Hypnotherapy, Counselling and Cognitive Therapy. He trains leading practitioners in RBTi analysis around Australia.

Zac Bobrov

Interclinical Laboratories

Zac has been involved in environmental and nutritional medicine for over twenty years. He is one of Australia's leading specialists in the field of tissue mineral analysis and is the Technical Director for InterClinical Laboratories.

Janella Purcell

Naturopath, wholefood chef, author and media presenter

Janella is dedicated to a core philosophy of food as medicine as a practitioner and educates clients on how to shop, cook and eat with wholefoods. She is the author of several books and DVDs and appears in regular TV programmes.

Michael Thomsen

Naturopath/Herbalist

Michael has researched extensively on various areas in herbal therapeutics and is the author of the Phytotherapy Desk Reference. He is the Director of HerbResearch and is currently an international herbal medicine consultant with the UN International Trade Centre in Bangladesh.

PERTH
Saturday 22nd May

Dr William Barnes

Medical Practitioner, Surgeon, Psychiatrist

Dr Barnes runs a private medical practice in Fremantle specialising in nutritional medicine, Acupuncture and Psychotherapy. His areas of interest include nutritional treatments for cancer and is currently working on successful clinical research findings.

Anna Sangster

Naturopath

Early in her career Anna joined Francesca Naish at the Jocelyn Centre specialising in helping couples overcome fertility problems. She has since moved to Perth where has continued to see patients with fertility and reproductive health issues.

Kate Diamantopoulou

Homeopath, nurse, midwife

Kate has played a key role as a homeopathic lecturer, writer and academic advisor while developing various volunteer homeopathic projects overseas, including India and Sri Lanka. She specialised in patients with AIDS, Cerebral Palsy and brain damage.

John Ross

Acupuncturist

After practising for over thirty years in Australia, John spends much of his time treating patients overseas. Having worked extensively in a birthing clinic in Bali for many years, he is now developing a holistic health centre on the border of Tibet and Nepal.

Annette Krahl

Natural Therapist

Internationally accredited flower essence practitioner, body worker, workshop facilitator and creator of VibEMed products. She uses Hildegard therapies and has studied extensively in Switzerland, Austria, Ireland and Australia.

ADELAIDE
Sunday 23rd May

Tracey Yeend

Naturopath, nurse, and midwife

Tracey specialises in women's health and fertility and has been involved in obstetrics for over twenty three years. She is an experienced presenter and utilises a range of therapies and tools.

Dr Peter Baratosy

Integrative General Medicine practitioner

Dr Baratosy is the author of numerous books on alternative medicine and lectures regularly for the Australasian College of Nutritional and Environmental Medicine (ACNEM). His area of interest is Metabolic Syndrome, thyroid dysfunction, gastrointestinal problems and hormonal problems.

Dr Billy Chow

Holistic Chiropractor, Vice President of the Chiropractors' Association of SA.

Billy is an integrative holistic chiropractor with a focus on diet, lifestyle and wellbeing coaching. He also has an interest in sport.

Andrew Lazootin

Naturopath, remedial masseur

Andrew specializes in Live Blood Analysis, Biomechanotherapy, Neurotransmitter analysis, Colonic Hydrotherapy, EIS Full body screening and thyroid conditions.

Zac Bobrov

Interclinical Laboratories

Zac has been involved in environmental and nutritional medicine for over twenty years. He is one of Australia's leading specialists in the field of tissue mineral analysis.

Julia Twohig

Homeopath/ Naturopath.

Julia has been a passionate Homeopath for nearly twenty five years. She has studied in India, Germany, Ireland and the Netherlands and has been a key advocate for homeopathic registration and regulation.
